I like to make my guy happy, but I just don;t swallow. I did when I was thirty, but over time, I gagged more and more until I just stopped doing it. I think that guys really don;t mind because if they can see their cum on mu chest, that will make them happy.

It's younger men for me. My sex drive is too strong to just fuck anybody and not get satisfied. I'm pushing sixty and my pussy is just as alive and vibrant as when I was twenty. Now, however, I don't have to worry about getting preggers.

Dear editor,

I have to share this story with you. I told my girlfriend and she found it so hot that she suggested I send it to you. At first I was embarrassed, but thought about it and it kept making me smile, and horny. So one night, my boyfriend and I were laying in bed just watching TV. I fell asleep and when I woke up, the program we were watching had ended. I sleepily cuddled up closer to him and he kissed me lightly on the forehead. I reached up to kiss his lips and we kissed for a while, getting more and more into it.

I used all my womanly ways to turn him on. Lots of soft probing tongue throwing in a nibble every once in a while. He held my face and told me what a great kisser I was and as I did my eyes slid down spotted a bulge under the sheets. Apparently my kisses made him quite hard. That just drives me crazy. He noticed me noticing and turned me on my side so that he was behind me. He started grinding himself into my ass. By this time my underwear was gone and his hand was searching for my pussy. He touched me teasingly close, then closer, and closer. I let out a small groan in anticipation. He stopped immediately. We tried to cool things down. But it was impossible.

This time, there was no teasing. He found my clit and brought me to climax. Then put two fingers inside me. I held my face into the cushion to keep quiet. He found the spot deep inside me and I couldn't help but moan loudly. He stopped immediately but I started begging and pleading for more.

"Baby, don't cool off, I'll be I'll be right back." He got up from the bed and walked into the kitchen and came back a minute later. He kissed me and put himself on top of me. There was something behind his back. What is that? Why's he hiding it, and what's he going to do with it? I was leery but excited at the same time.

His hands found my pussy and parted my pussy lips. Then I felt something cold and hard push it's way into me. I felt my pussy muscles tighten as my back arch in response to the intrusion. He watched me as he put his new toy inside me over and over again. When I moaned he picked up the pace. It felt so good. So smooth. He

To the editors at 50+,

When I got back from my stint in Afganistan, I picked up ***50+*** magazine when I saw this gorgeous brunette on the cover. But when I opened it up and saw her getting her pussy and ass stuffed while another woman looked on, damn that was hot. A buddy of mine was over and I showed him the spread and he too was blown away. Then I told him to hold on to that, there was a video for the scene. I pulled out the computer and sat him down to watch the video. I had downloaded it onto my hard drive and kept it because it was so hot. We sat there that afternoon and watched it. All the way through, mind you. It was still hot. We decided to call a couple more of our buds and invite them over for a private screening. By that time I had watched it all the way through, maybe, ten times and I was still aroused. My bathroom was the second most popular room in my house that night.

went faster and faster and my body responded to every thrust. Then I felt the most powerful sensation rock my body. I came. And it was quite intense. I was left shuddering. He pulled the toy out and replaced it with his mouth so he could taste my cum juice. I felt his warm soft tongue licking me and it felt just the opposite of what was just in me.

I came again, not as intense this time, but warm and fuzzy-like, which led to us cuddling for a while after. I still don't know what he put inside me, but I hope he decides to surprise me again. Maybe next time, I'll be the one surprising him.

Dear 50+ magazine:

You gotta hear this. Last year, when I lived in the Big Apple, I came back to my hi-rise apartment and heard the Giants game blasting on the TV. Expecting to see some friends enjoying the game on my 72" TV. Instead I walked into the living room to find my friend and neighbor, Brandon on the couch, pants down, with his girlfriend, Cindy, kneeling on the sofa, sucking his cock while he was watching the game.

Brandon looked up at me when I came in and nodded. Cindy looked at me, pulled off him, and started to get up, but Brandon stopped her and pulled her right back down on him. I stood there watching for a minute and then he started thrusting up into her face. He grabbed her head and held it down as he came in her mouth.

She sat up and swallowed it, washing it down with a huge gulp of beer. I went to the kitchen to fix me a snack. Suddenly the sound on the TV exploded as the Giants made a last second score and won the game.

Dear editor:

I'm the New Acquisitions manager for my retail-based company. My main function is when we bring on new retail stores, I'm sent out to be sure everything is set up properly and running smoothly by the time they open their doors. I travel the country constantly as we open new outlets, purchase existing competitor's stores, or revamp existing ones. I usually spent no more than a day or two at each location training owners and staff on our policies and procedures.

This week I'm at a new open in an Atlanta mall where I'm meeting the new manager, Hannah. I notice her walking down the aisle and thought to myself, this woman is a total hottie! Hot body, shoulder length blonde hair, pouty full lips, perfectly matched dimples, and big blue eyes.

She walks over to me where I was to meet her at the service desk. I introduced myself and reminded her of some of the previous calls we had. She told me to follow her back to her office. I was far enough behind her to get a great view of her ass we walked to the back. As we walked, I complimented her on the look of shop, it's decor and atmosphere. I did my best to restrain myself from grabbing her.

In her office we made shop talk, but all I could think about was how hot she was. I guess about 35, no wedding ring, could be a lesbian, but none of that made any difference. She was hot and the odds of her getting with 50-year old, slightly paunchy, graying company manager were a million to one at best. I tried not to sneak peeks down her low cut blouse as she talked.

She sat down behind her desk and pushed her chair back while reading the presentation folder giving me an unobstructed view of her long legs. I felt my cock stir and I struggled to not let it control my thoughts. As I fumbled through a few pages of my presentation, I placed some documents on the desk for us to go over. My eyes darted back and forth between her legs and the folder. With each sexy shift of her body, I got a great view up her skirt.

She'd lean back in the chair as she turned the pages of the presentation and swayed one leg back and forth just enough to give me a peek. Was it on purpose that she tormented me constantly by crossing and uncrossing her legs. I think she was aware that I was struggling to hide the bulge that was growing in my pants. Now it was my turn and as I talked she constantly tugged her short skirt. We went over do's and don'ts the company has for newbies. We had a lot to cover and time was running out.

I told her my function was to work with the new manager for a couple days to understand their operation. We talked a little more and then she took me back out into the store and showed me it's layout and introduced me to a few of the staff. About 5 pm, just before everyone checked out, I told her my work here was done for the day and I'd see her tomorrow morning bright and early.

I mentioned I had made a reservation at the St. Regis here in Buckhead. She volunteered to drive me there and on the way she said that perhaps we should have dinner tonight and discuss the next day in greater detail since I was scheduled to leave shortly thereafter. We discussed dinner options but decided we were both pretty beat and I invited her to come up, clean up and we could order dinner by the pool. We both cleaned up and slipped into the hotel robes and headed for the pool where we found a spot with a large table and chairs and excellent service. We ordered dinner and sat back with our drinks.

Throughout the dinner, as she talked, she constantly tugged at her robe, loosened the belt and sometimes giving me a clear view of her gorgeous tits and nipples. Apparently she decided not to wear anything under her robe. I tried my best not to stare. My cock throbbed as her robe parted and fell open. Teasingly, she crossed and uncrossed her legs. As the wine began to speak she made fewer attempts to keep herself covered. By the time we started the second bottle of wine, I questioned our ability to perform any meaningful work, and as the night grew late she became more animated and touchie feelie. Now, she was even more flirtatious than at the store. I knew she had noticed the bulge in my pants at her office. Now she was taking advantage of me. Or about to.

Our waiter brought out dessert and we made our way to an over sized chaise lounge. I adjusted it to where it would lay flat and we sat down cross legged, facing each other. Her robe behaved as predictably as I had hoped, opening widely and falling to the sides of her hips, giving me a clear view of her marvelous shaved pussy and beautiful tits. The robe barely clung to your shoulders.

Apparently I wasn't the only one checking out Hannah at the poolside. The waiter came over and told us that she had to cover up. There was no nudity allowed in the pool. We apologized, got the check and headed back up to the room. Within minutes, the robes were off and we were on the bed. Without even saying a word she took my fingers and began to slurp on them as if it were my hard

cock. I stood up next to her and grabbed a handful of hair, pulling her to my thick cock. She gripped my cock and stroked it as she licked swollen head. I forced my cock deeper into her mouth, making her gag.

I let her suck me for several minutes before I slipped my fingers easily inside her pussy. She threw her arms around my neck and pushed hard against my hand. Between deep passionate kisses, she moaned loudly as she thrust back and forth as my long thick fingers fucked her pussy hard. Spreading her legs wide, I knelt between them and they wrapped around my waist and began to shake violently. With my other hand, I pushed my finger into her ass as she came. She dug her nails into my ass cheeks pulling me harder. All the time she fucked my hand, our eyes were fixed on each others. Her thigh muscles squeezed me tightly as her body shook hard in it's climax.

Then she wrapped her legs around my waist, her pussy finding the head of my cock, impaling herself hard. She bounced up and down on my cock, pounding her tight pussy. She rode me until I knew she were going to cum again. Reluctantly, I pulled myself out.

I told her to pump my cock hard and fast and to play with my balls. Then I felt my jizz work its way up my shaft and out and into her mouth. She swallowed it and sucked my cock some more, trying to get every drop. She nuzzled into me and we drifted off. Hours later she woke me up. The store would have to wait, I said.

I need adventure in my life, so sometimes one man just won't do. I'm way too horny way too often so two studs is a nice break for me from the ususal one guy a day. Yes, I try to do one guy a day. I see it like taking vitamins. I need it to keep up my energy level as I get older. And it's fun, too!

Damn! That really felt good. I couldn't keep those cocks out of my pussy and mouth but when there was a huge cock in my ass, that was heaven. If you've never had it done, try it sometimes. It feels much better than you imagine.

Misty & Payton

When I and Payton first met on the set, it was pussy-love at first lick. I couldn't wait to get my lips on her pussy and then feel hers on mine. I was salivating as I got near it and smelled it's sweetness.

And that goes for me, too. I love licking Misty.

Oh, did we fail to mention that we liked guys, too. A woman's touch is really nice, but sometimes you just gotta have that man-meat to satisly you. What's really cool, is to have them both on the same day. They you can go home, close your eyes and replay them in your head. That's how you decide which one works best for you.

I was visiting Portland and it was raining. I got up the next day and it's still raining. And it rains the day after that, and the day after that. I finally go out and see a young man and out of frustration I ask,"Hey, does it ever stop raining?" The guy responds back: "How should I know? I've only been here six years."

portland needs football
a rose in rose city

MY TRIPS HAD BEEN UNSUCCESSFUL UNTIL I CAME THIS TIME

So this week I'm in Portland for the week. My company has sent me here to discuss them bringing a professional football league team to the city. This is my third try and tomorrow I'll be meeting with the mayor and the city council. I'm staying at the Oakwood corporate apartments and listening to the noise across the street. It sounds like a cats being tortured, but I look across the street and see the outline of several people in a second floor window. After a while the noise subsided and I fell asleep.

The next day went pretty well, except the mayor cancelled at the last minute and so his aide rescheduled us for 9 am the next day. That evening, I took out a couple of the council members out to dinner and soft pitched them. I think I did pretty well and they ate and drank pretty well, too. We parted and I headed back to the Oakwood only to find my across the street neighbors at it again and their loud noise permeating the area. The noise was loud and continuous and I needed to sleep. I went to my window and was going to yell out to them to keep it down, I had an important meeting in the morning.

I pulled the curtains apart and opened the window to yell out. As my eyes adjusted to the darkness, I could see across the street better. Opposite me on the third floor was what appeared to be a very petite young lady between stood two male figures, both with their backs to me. They seemed to be talking to each other but I could not make out anything.

I couldn't tell what was going on or where she came out from, but I saw one of the guys reach down and push his pants down. My eyes had adjusted pretty well by now and things were getting interesting across the way. I decided to get my binoculars and have a seat by the window. Now, and could see them much more clearly. I watched as the young lady reached over and took his member in her hands, and with slow moves she was stroking what appeared to be very large cock. He could sense his excitement as her strokes became longer and longer. The binos brought the action much closer and isolated them from any background.

Thanks to the binos I could see that the man was

How could this petite thing even think of taking such a huge cock, let alone two of them.

quite well hung. As she stroked his cock, the second man took off his pants, too. She took him in her mouth and worked his head in and out. He reached and took her head in his hands and pressed her face hard against him. As her head moved in and out, her hands once again reached for him, and it was then I could truly tell the length of the cock she was now sucking. It amazed me to see both her hands wrapped around his cock like a baseball bat.

I thought to myself that this one guy must be just short of a foot long, and was interested to see what she could do with it. Then to my amazement, the second guy turned, and to his surprise, he seemed even larger than the first. Such a massive member was now pointed at her. Then as she sucked the first, her hands found the second. She began to stroke the hard long member as she continued to service the first. The first guy was pumping her mouth as she worked on his hard member and in a quick motion, her lips found the second. He was standing at an angle where she struggled to get the tip into her mouth and with both hands gripping tightly, there must have been at least six inches of cock beyond her hands. I have never witnessed such a cock, not even on film. As she sucked the tip of his cock, I watched as the second guy went to his knees and started to remove her blouse. Button by button, then in one motion, her blouse was off revealing her large breasts. His hands cupped her mounds firmly. I could see him as he took one of her nipples in his mouth.

As he worked her boobs, she continued to stroke and suck his massive cock. She seemed to be enjoying it. The second guy now had his hand under her skirt, and I could tell his hand found the mound hidden beneath it. I could see the second guy as his hand worked under her skirt, but I could only guess what was happening. I thought it quite exciting to see her work on his massive member and the second guy was still erect and waiting his turn. She raised herself somewhat and the guy working on her soft pussy reached down again and pulled the skirt up and off. I could see her soft mound as her skirt was now off and the angle was right for me to could see the glisten of moisture between her legs. How could this petite thing even think of taking such a huge cock, let alone two of them.

The three positioned themselves a bit closer to the window. I imagine there was some sort of bench or window seat there. She lay back and put one of her legs on the guy's shoulder and I could see him reach down and place the head of his huge cock on her pussy, and then the head passed beyond her pussy lips. Inch by inch he pushed his cock inside her and I was so amazed as the first guy buried his cock inside her. The second walked over and got down on his knees and placed his monster cock right in front of her face. Then she reached and took it in her small hands and pulled it to her mouth. She tried so hard to get the head inside her mouth until it finally disappeared into her hot mouth. Her hands ran up and down its length, pumping his shaft, and between her legs, the other guy pounded her pussy with deep long hard strokes. When he pulled his cock from inside her, I could see the moisture drip off it. She stroked the hard cock in mouth and the massive member slide in and out of her tight mouth. The second guy put himself back in and fucked her.

She made a fist pumping motion to me, telling me to continue jacking-off. She moved her hands down to her pussy and played with it, all the while holding her gaze on me.

I was way past horny at this time and my cock was swollen like never before. I stroked myself, but kept me from cumming. I didn't want to miss any minute of the action across the street. I refocused on them as she arched her back to meet the huge member that was thrusting between her legs. The cock in her mouth moved faster and she squeezed it harder. One guy pushed his cock even deeper into her throat and with each thrust from the two, her pussy and her mouth were filled completely as they both pumped their cocks into her. Then with one quick move, the guy pulled his cock from her mouth and his hot cum spewed from it gushing for what seemed to be forever. It covered her tits, dripped from her chin, and ran down her cheeks. She opened her mouth and the guy guided his cock to her mouth and another gush filled her mouth and she took his cock and pulled it hard as to milk it. She sucked the tip to drain the hot juices from his cock and his cock began to relax. The guy between her legs was now pumping so hard she pulled her legs even further back to let the cock even deeper into her gushing cunt. He pounded her pussy as I had never witnessed. The guy between her legs pulled his massive member and laid the head on her lips and it exploded cum all over her face and into her mouth. He pushed it deep inside her and I could see her quiver as he pumped his load inside her. Cum ran from her lips and dripped off her face.

She sat up off her perch and faced the window. Both guys moved in closer, flanking her and each put his cock next to her face. Obediently, she took each individually and together into her mouth to lick and clean them off. But apparently that was not enough. First one, then the other, held their cocks against their bellies, exposing their balls to her. She leaned over and sucked one guy's balls while her hands worked the other's. Nuzzling her face into them she sucked and licked them. I couldn't help but feel more aroused, if that was even possible at this point. My cock was throbbing and needed release. I watched as she finished licking their balls and saw their hard-ons had subsided.

Then to my amazement, the two guys disappeared and she climbed up on the window, bare naked. She looked directly at me from across the way. I gulped. She then smiled and started playing with her boobs. She made a fist pumping motion to me, telling me to continue jacking-off. She moved her hands down to her pussy and played with it, all the while holding her gaze on me. I got the message and rubbed my cock. I exaggerated the length of my strokes to make it seem longer. Then she turned her back to me and pressed her butt to the window. She reached behind and pulled her ass cheeks apart exposing her asshole to me. I picked up the pace on my cock. I refocused the binos just in time to see her stick a finger and then two into her anus and finger-fuck herself. I saw her looking back over her shoulder at me and I erupted all over the window. She smiled and turned back around and licked her fingers to tell me she got it and it tasted good. Damn that was hot.

The next day I met with the mayor. While we did not ink a deal, I think within the next few years Portland may finally get a team. I went back to my apartment savoring my temporary success. I went back to the window and saw her there. Then she disappeared. Ten minutes later there was a light knock at my door.

Mmmmmm, I just couldn't wait to get it on today. I woke up horny and I've been horny all day long. I can't wait to wrap my mouth around a huge, hard cock, and then put it into my pussy.

Now you have to admit that this is some hot stuff. The stills guy got good shots of both those hard cocks inside of me. And I think my expressions tells the story as well. But the best stuff was captured on video because you can hear my moans and screams as this hard cock pound me until I coax his hot cum onto my ass.

Yummy, guys.

I discovered sex late in life. I was 24 when I lost my virginity, but when I did, I couldn't stop fucking. Now I'm probably sucking and fucking more cock just to make up for lost time. Not that anyone has complained.
